Caroling

Although it was postponed until Christmas Day, a special Thanks to Rene and his chauffeur for the evening of caroling. You make it so easy and so delightful. Special Thanks to those that offered liquid libations for the parched throats of the singers along the way. Made the rest of the night merrier. A lot of great singers and a fun time was had by all.

F.E.A.S.T

After the delicious dinner in Christmas Eve, we hope that the items we donated to FEAST helped many families to enjoy the same. We are finished with our food drive for the Christmas Season. Thank you to the Bingo Players for their generosity. You will not get a free card for a food item this week, but please continue to donate. It is easier to bring one item per week than to wait till the end to get something in. We are looking at gathering donations to give in February to make a lot of Valentine gifts. Also the cash jar in the office for loose change and those extra greenbacks you may have. Checks are also welcome.

Golf Prattle

The Golf League has officially started. We had 5 groups of golfers out to enjoy a warm and sunny Christmas Eve. The stormy weather held off and only the windy conditions posed a problem to players; the course gave up only two.

The crows are back at hole #15, helping themselves to snacks from people's carts. A warning to new golfers – the crows have also been known to steal the score cards from the carts – and to drop them in the pond.

Congratulations to Jacques Menard – he is in first place with 6 points to his credit. Next week the competition will be even more fierce as new golfers arrive back from the north.

I'm sure everyone is looking forward to a fun and exciting competition for the league championship.

Christmas Eve Social

We had a lovely evening of dining and socializing on Christmas Eve. The weather prevented the caroling in the park, but we made up for it with some rousing sing-songs after dinner. Thanks to all who participated and to all the volunteers who made it possible
