The canned goods are piling up with a big thank you to the Bingo Players. The money in the jar in the office is also getting filled up. For every dollar you donate, the FEAST office buys food supplies in bulk at a lesser cost for their food pantry. Your dollars, loose change and checks are appreciated.

Pet Business

If you have a dog and/or cat and you use the park machines to wash the blankets or bedding that they sleep/lay on, REMEMBER TO CLEAN out the washing machine after using. Take a damp cloth and wipe the interior tub to remove any leftover pet hair. This will prevent the next person who uses the machine from having to clean up after you. Thank You. And while we are on the subject of dogs, remember to pick up after your dog does his business. A resident stepped in dog doo in the laundry area. Clean up after your pet. Keep your pet on a short leash when you are walking it so you will be aware of where they leave a pile and you can clean it up. There are doggie bags throughout the park for your use. Place doggie bags in the dumpster, not the trash cans in or around the rec hall, laundry or rest rooms. Thank You.

Seeking Chairpersons for the following events

Valentine Dance – February

St. Patrick Day Event – March –Whatever you choose to do

Easter Dinner, April 5

Please let anyone on the Social Committee know of your desire to chair any one of these events. Thank You.

Bay Aire Golf News – Dec 3

We had six groups playing golf this week. No one could complain about the weather, warm, sunny and not much wind, but, those new undulating greens and hole changes certainly have created new challenges for everyone. We haven't started low net, and low putt scores yet but we did compete for closest to the pin. Ed Anderson took money for closest to the pin on hole #8. Jack Lundgren was closest on # 17, he landed within 2 feet of the hole – and missed the birdie putt–OUCH, that hurts. Remember to sign up for Wednesday morning golf at Tarpon Springs Golf Course by noon on the previous Saturday. Sign up list is posted on the Golf Board in the Rec Hall. If you have any questions regarding the league, please contact Dennis Bolz, Lot 41 or Colin Dewar, Lot # 68

Can Recycling

Quick Reminder: The recycle bins outside the rec hall are for aluminum cans only, no trash. Thank you from the recycling guys
