**Dart News February 17, 2015**

After 82 games of darts played, Candace Schedler and Guy Ruel came out the winners. Tom Element and Sue Brown tried very hard to upset the winning team, but came in second place. It looks like Guy may need more competition with all his weekly wins.

## F.E.A.S.T

A big THANK YOU to the Monday Bingo Players. As a result of your generosity these past two Monday evenings, a total of 100 cans and boxes of food were delivered to FEAST this past Wednesday. We were thanked many times over, when we dropped the food off and so I am passing on those many Thanks to you. Our next collection will be during the end of March and April for the Easter holiday.

Food can also be left at any time, just put it in the tote in the rec hall. Don't forget the change jar in the office.

## Rummage Sale

Rummage sale is on March 7<sup>th</sup>. Parking will be at a premium that day (we hope) so if you have a second vehicle in the overflow lot, Mary has stated that for that morning only, if you can please move your vehicle and, if there is room at your lot, park there. Also no parking in front of the rec hall. This will only be until noon when the sale ends. Also the street between lots # 90 and 98A will be closed off to all traffic until noon. This is so table can be set up in that area for sale items. Don't forget to sign up for a table, if you need one.

Sign up sheet in the Mail room. More information will be forthcoming.

## Recycling News

Bay Aire residents are actively recycling this year. The recycling tubs fill up daily and keep all eight of our volunteers busy hauling recyclables to the collection dumpsters by the water reclamation ponds. People are doing a good job rinsing food wastes from their plastic containers.

The recycling totes would not fill so rapidly if people would remove the caps and flatten their gallon jugs. Occasionally we find a large number of aluminum cans mixed with the steel cans. Please recycle all aluminum using the designated tub at the north end (nearest the propane tank.)

Frank Craig exchanges aluminum for money which is deposited in your Activity Committee treasury – so please keep aluminum separate from “tin” cans! Plastic bags foul up the machinery used in the separation process. Please return these and any Styrofoam to the grocery store or put them in the garbage dumpster. These should not go in recycling. For the safety of our volunteers, please use the grey rectangular totes marked GLASS and **DO NOT** mix glass with cardboard or plastic. The high rate of beer, wine and liquor bottle recycling probably indicates a generally happy and highly social group of Bay Aire residents.

## **Golf Prattle 2/18/2015**

It was a cold and windy start but most folks showed up anyway. The sun came out and warmed things up a bit but the wind kept blowing – making things pretty challenging! Putting was agonizing, if you didn't get in the cup it just kept on rolling and rolling... We have new leaders on the board. Jim Brown and Billy Hughes are tied for 1<sup>st</sup> place with 22 points, Joe Dubois in 2<sup>nd</sup> with 21, Shirley Wallace is in 3<sup>rd</sup> place with 20 and Dennis Boltz is in 4<sup>th</sup> with 19.

The sign-up sheet for the golf banquet is on the golf board, Please indicate if you will be attending and the number attending. If you have any questions, please contact Dennis Boltz at lot #41.
