About the Movie for January 17th at 7:50, **The Secret Life of Bees**

Queen Latifah and Dakota Fanning head a stellar ensemble cast in this wonderful film about family, independence and the transcendent power of love, based on the acclaimed best-selling novel.

To escape her cruel, angry father – and discover the truth about her late mother's past- 14 year old Lily Owens (Dakota Fanning) flees with her caregiver and friend Rosaleen (Jennifer Hudson) to a South Carolina town where she's taken in by the bee-keeping Boatwright sisters (Latifah, Alicia Keys, Sophie Okonedo). Surrounded by the unexpected love, grace and spirituality she encounters there, Lily forms a bond with each of these uniquely gifted women and discovers that sometimes you must leave home in order to find it.
