New addition in Rec Hall

A new movie screen has been installed in the Rec Hall. Please do not touch as it's operated by remote control which will be kept in the office. It will be available during business hours and will be lent by appointment only.

Recycling Ends Friday

Some of the recycling volunteers have left and others leave soon! The last day for recycling collection (except aluminum cans) will be Friday, April 3rd. The plastic, tin can, cardboard and glass tubs will be emptied and removed Friday afternoon. The aluminum can tubs will remain and Bay Aire staff will empty them during the summer.

People may take their own recycling materials to the county solid waste dumpsters which are located adjacent to the water reclamation facility two miles north on the right hand side of Alternate 19. Follow the signs on the last right turn before the bicycle trail overpass.

Note from Gerrie Craig

This is my last week as President of the Bay Aire Social Committee. I thank all of you for just being who you are, a fun group of people. Thanks for stepping up and doing what needed to be done, no questions asked, no problems. What a fine group of people you all are. It has been a delight to have worked with all of you these past two years. I know that you will give our incoming president the same cooperation as you have given me. Thanks again, see you around the park next fall. A safe summer to you all.

Rec Hall Refrigerator

The refrigerator that we have been babying since November died last week Monday, so a new refrigerator/freezer was purchased by the social committee for us to use for breakfast, pot luck and whatever else we need it for. It will be kept locked. Thanks to Laurie, Dick and Frank for doing a fine job of selecting and deciding.

FEAST

A total of \$375 worth of food was delivered to FEAST this past week. Thank you for your generosity. Remember to donate those food products that you are not taking home. Jack Young is counting up the change in the FEAST jar from the office, and that will be delivered to FEAST with the next food delivery.

Welcome Back Party – 2015/2016 Season

As we all pack up and prepare to leave Bay Aire for the summer, we would like to provide a little info on next season's Welcome Back Party. The event will be held on a Saturday in November, TBD. This year's party theme will be a Medieval Renaissance Fair. That means we need Knights, Ladies, Queens, Kings, Jesters and Wenchies. Like last year, there will be prizes for costumes. Come prepared for jousting, feasting, games and all around good time!! (Ruth Dubois & Shirley Wallace) (Check for date on the website)
