Petanque Courts

Thanks to the many people that helped Andre clean and prepare the courts so that they are ready for the first game on Thursday, November 13.

If a man said he'll fix it, he will. There is no need to remind him every 6 months about it

A jar has been placed in the office for your loose change. Give when you can. A tote has been placed under the table in rec. hall for anything from non perishable food product to soaps and detergents. If we all bring a can in each hand the box will fill up quickly and those in need will be thankful.
